The Grumpy Monk by Robin Khoury

In “The Grumpy Monk,” author Robin Khoury introduces children to the famous Brother Lawrence. The writings of this 17th century Christian mystic have helped many generations of believers learn to do everything for the love of God. In telling Brother Lawrence’s story, Robin seeks to help children learn to practice God’s presence in all the experiences of day to day life. The attractive illustrations by Agnieszka Korfanty add vividness and joy to the beautifully-written narrative.
